REMINDER

This neck warmer we'll make out of two parts which we will connect in the end

First part we'll make by crocheting the brim first
Using 7mm needle

Start by making a slip knot and then chain 4

To make the first row turn your work and start crocheting in the second stitch from the needle

Row 1: YO SS 3

CH 1

Turn your work

Row 2: YO BLO in the next 3 stitches,

CH 1 turn your work

Row 3: YO SS BLO in 3 stitches

CH 1, turn your work

Keep repeating this pattern until you get to the total of 44 rows

With the wrong side facing you, you'll connect the two parts with a slip stitch, 3 in total

Chain 1

Now we'll go on to making the body of the neck warmer using 8 mm needle

Row 1: Across you'll make YO SS in the first loop from the needle (as shown on the photo), then you'll continue with YO SS until you get to the 44 stitches in total.

Connect with a SS
Chain 1 and turn your work

Row 2: 44 YO SS BLO, connect with SS
CH 1, turn your work

Repeat this pattern until you get to the row 5

Cut your yarn leaving 15 cm of yarn

Part 2: repeat the same pattern as we did in part 1 until you have a total of 6 rows

Cut the yarn leaving approximately 1 meter for connecting the two parts.

Turn both parts inside out and tie the loose ends together

Then SS BLO the two parts together with the longer piece of yarn all the way around.
Sew in the loose ends.
